

Mary Hilton was 104 years old

Miss Mary S. Hilton, formerly of Tewksbury, born 104 years ago, died January 22 at the Simmons Nursing Home in Billerica.

Born in Lowell Sept. 4, 1870, she was the daughter of the late William C. and the late Mary (Willard) Hilton. She resided in Tewksbury from 1953, when she moved from Lowell, until she entered the nursing home.

A retired dressmaker, she had been employed by families in the Greater-Lowell area. A long time member of the First Congregational Church of Lowell, she joined that church in 1884.

She is survived by a cousin, Mrs. Alice (Willard) Hemingway of Concord. The funeral was held January 25 at the Farmer & Dee Funeral Home at 16 Lee St. in Tewksbury. Interment was in the Edson Cemetery in Lowell.

Charles J. Fortin World War I veteran

Charles J. Fortin of 106 Salem Street, Wilmington died at Veteran's Hospital, Bedford following a prolonged illness.

Mr. Fortin, who was 81 years of age, was born in Canada, the son of the late Thomas and the late Pilligie (Miller) Fortin, and had been a resident of Wilmington for the past 20 years. He had served in the US Army during World War I and prior to his retirement was employed as a baker.

Mr. Fortin is survived by his nephew, Joseph Fortin of Esmond Rhode Island.

The funeral was held from the W.S. Cavanaugh & Son Funeral Home, 374 Main Street on Thursday, January 23rd at 9:15 am followed by a Funeral Mass at St. Dorothy's Church at ten o'clock, celebrated by the Rev. Father Riley. Burial took place in the veteran's lot, Wildwood Cemetery.

James A. Robson died in Danvers

James A. Robson, of 33 Locust Street, Middleton died at the Hunt Memorial Hospital, Danvers on Thursday, January 23rd.

Mr. Robson, who was 72 years of age was born in Malden, the son of the late James and the late Ratchel Robson. He had lived in the Malden area most of his life prior to taking up residence in Middleton six years ago. He had been employed as a truck driver prior to retirement.

Mr. Robson was the husband of the late Gladys M. (Grundy) Robson and is survived by his five sons: James A., Jr. of Naples, Maine; Richard P. of Lynn; Raymond F. of North Wilmington; Lawrence E. of Billerica and Arthur G. of Lawrence; his two daughters, Mrs. Gertrude August of New Jersey and Mrs. Elizabeth A. Barchard of North Andover.

Funeral services were held at the W.S. Cavanaugh & Son Funeral Home, 374 Main Street, Wilmington on Saturday at 11 am with the Rev. George B. Taylor of the Congregational Church officiating. Burial took place in the family lot, Wildwood Cemetery.

CARD OF THANKS

Two weeks ago I unknowingly dropped my purse in the driveway of the high school. Upon discovering this loss, I went to the high school office and was elated to find that a young lady had turned it in.

Since I do not know this student's name, I would like to take this opportunity to express my sincerest thanks to her. So many times we only hear of the so-called "bad" things the kids do and not the "good" things.

Sincerely,
Mrs. Jack Hardy

The proposed Town Forest

TOWN CRIER JANUARY 30, 1975

Article 23 of the Warrant for the annual Town Meeting in Wilmington proposes the establishment of a Town Forest, in North Wilmington, near Camp Forty Acres.

The idea originally came from Professor Eliot, consultant to the Planning Board, and was the subject of much debate in the Town Meeting a year ago (Article 10). Since then the idea has been expanded. As the Town Forest is being proposed now it will be over 300 acres in area. Undoubtedly there will be a move on the part of Wilmington's selectmen, and perhaps the Finance Committee to cut down the size of the forest, because of costs.

In the north end there are four tracts of land that are worthy of comment.

At the north end of Ballardvale Street is a large lot, formerly a subdivision dating back to about World War I days. Only one house was ever built there, but many persons have bought house lots or larger, and speculated, but without making any money. Over the years the town has collected a lot of the land in this former sub-division for the non payment of taxes.

There are still a dozen or two lots of land that are privately owned, some of them being over two acres in size. One of these is Camp Oman, named for a deceased Scoutmaster, and owned by Wilmington Youth Camps, the organization that owns Camp Forty Acres.

By agreement, the selectmen are not planning to take any property owned by the Wilmington Youth Camps, Inc.

The Planning Board hopes to discontinue Ballardvale Street, where it goes through this part of Wilmington. There are those who can see an advantage in this move. Ballardvale Street would end, in Planning Board thinking, where the present access road begins, in Andover, that leads to the Gillette plant, off Interstate 93.

Northerly of Camp Forty Acres is a large tract of land owned by the Brooks family, who live in one of the seacoast towns north of Boston. The property has been in the hands of this family for over a century.

South of Camp 40 Acres (it is really 41) is land which is owned by John Earl Dick, of Bedford. His name, it can be noted, is composed of three names of which all are common first names.

Mr. Dick purchased the land after a rod & gun club from Somerville gave up the idea of having a shooting range there - about a dozen years ago. He has made moves to 'Land Court' the land, i.e. clear the title of any possible clouds or errors, in court. That, of course, would increase the value of the land.

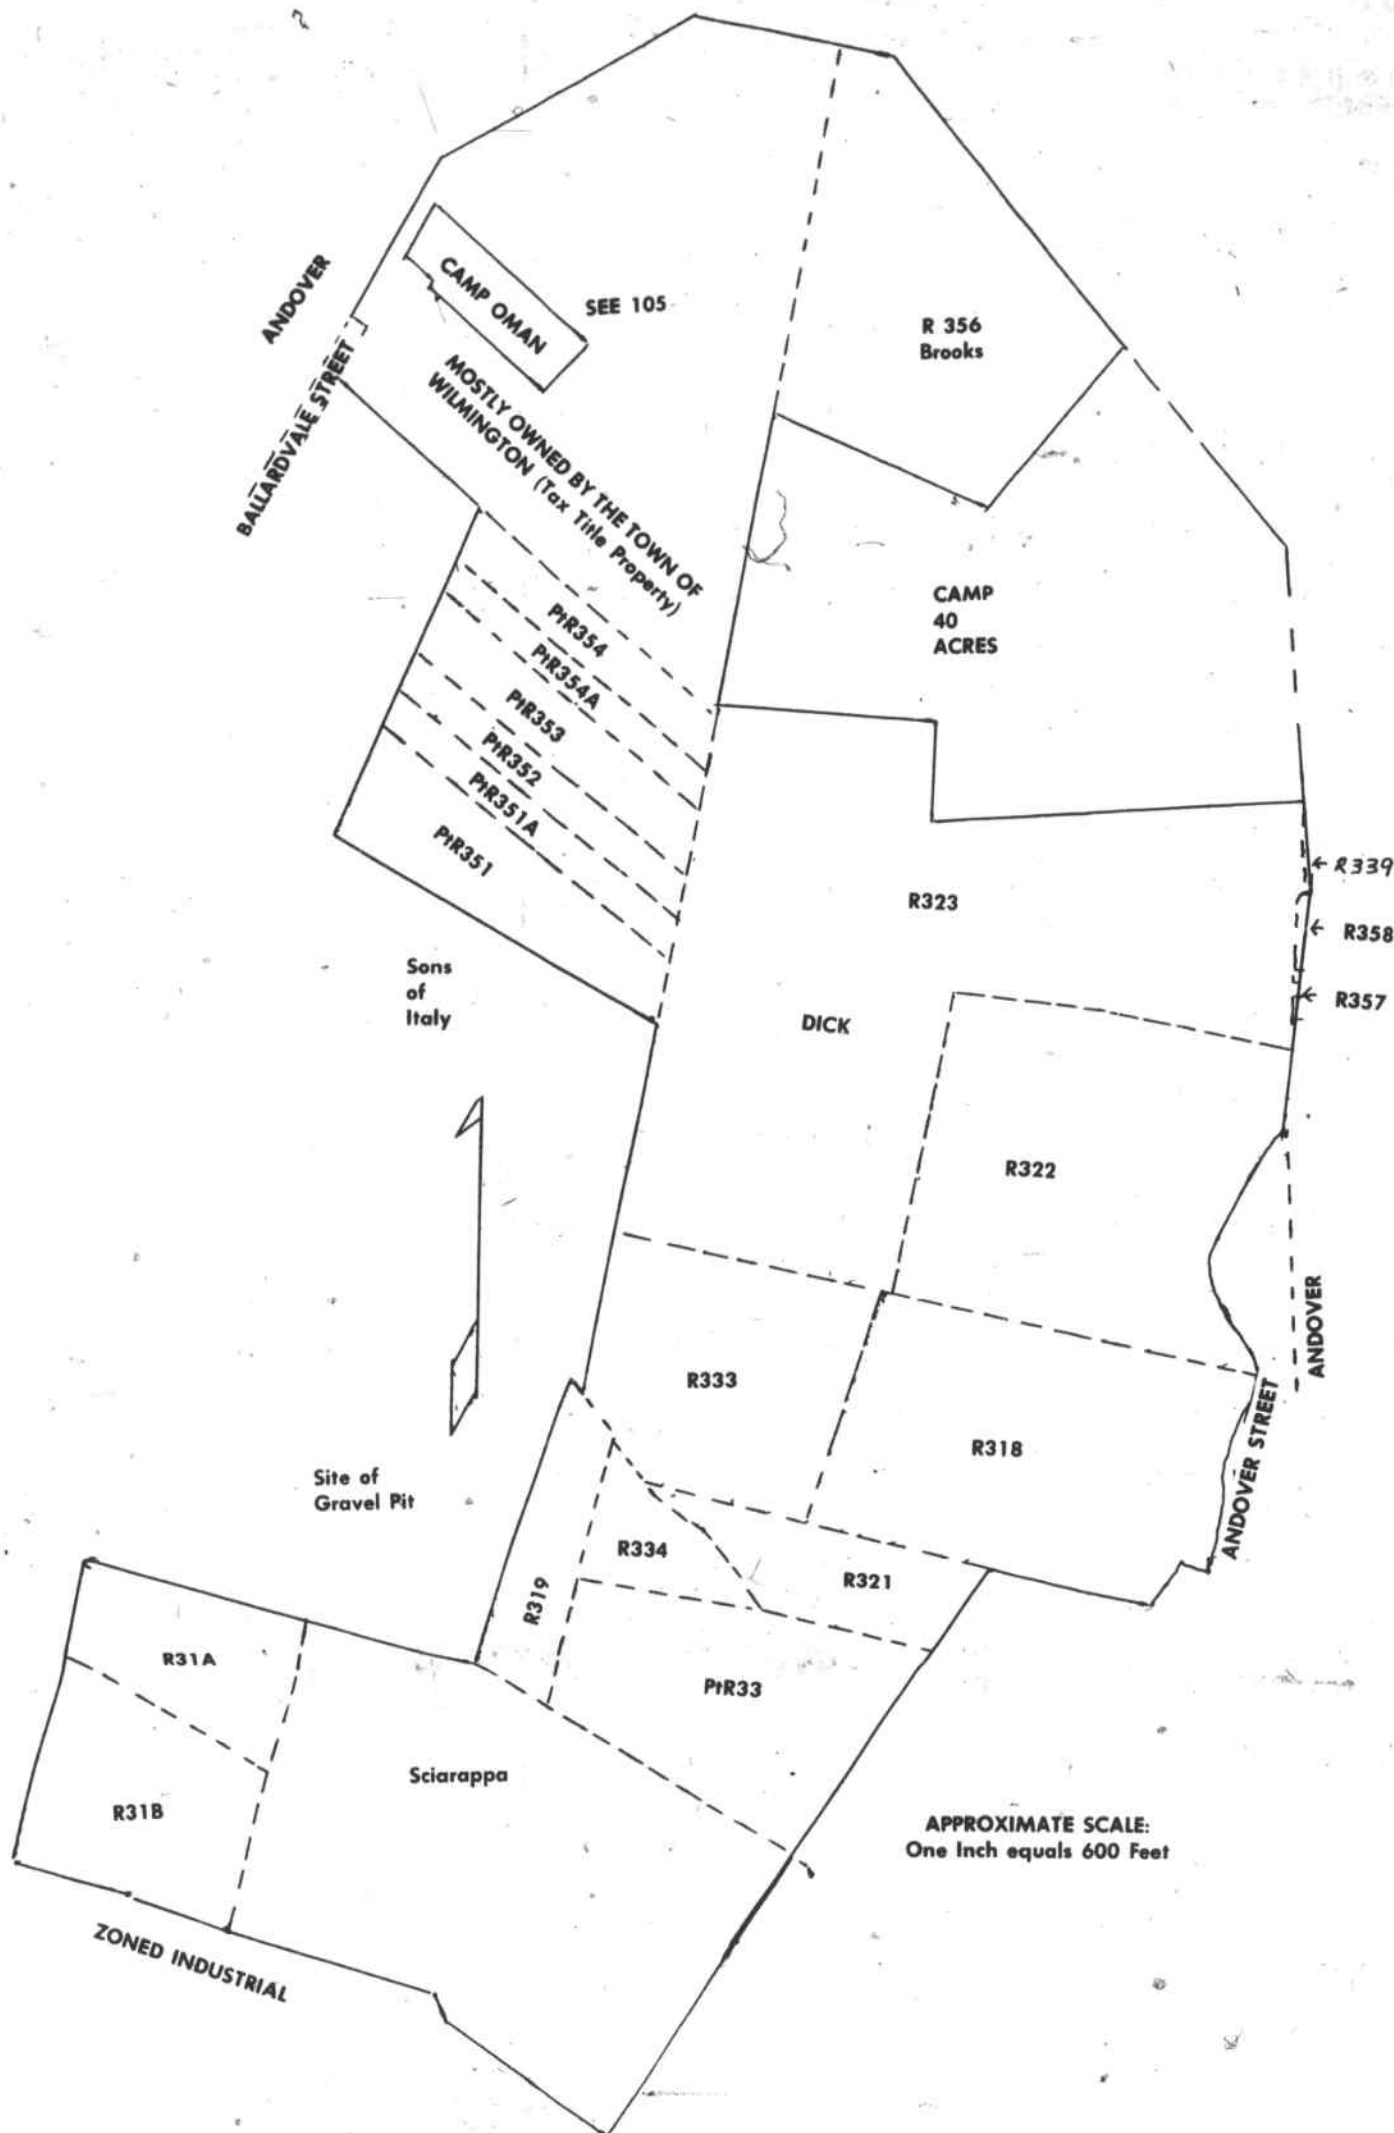

Over fifty years ago, in the days of Volstead and friends, there was a sizeable private still on this property, in a stone house. The still blew up, one evening. If the Town Crier remembers correctly it was on a Saturday evening, and it provided enough excitement for the entire weekend.

It was quite an explosion, and it was quite a fire that followed. The date was about 1923.

The small lots of land that one sees on the plan, westerly of the Dick property, are the 'back' halves of home owners along Ballardvale Street.

When the explorer starts southerly from the Dick land he gets into more valuable land, in some respects, in that it is closer to the Industrially Zoned land in North Wilmington. There are those who say this land will be too expensive for the town to take, even if the Commonwealth should reimburse the town 50%, in later years.

\$250,000 is the sum of money that is being proposed to be spent on the taking of land for the Town Forest.

Letter

Dear Wilmington Tax Payers

Isn't it time that we, as tax payers of Wilmington started taking more of an interest in what is happening in our town? Our Democratic right has been taken away from us. Why don't we have a say in the matter of the proposed Tamboni low income and old age housing project?

The proposed structure is said to be six stories high, in North Wilmington, for low income and senior citizens.

As you well know, senior citizens do not want (many cannot manage) one flight of stairs let

alone five. Why should senior citizens be in the same complex with a lot of children? Many of them cannot cope with younger people and should not have to.

With this new complex, many children would come into this town, therefore, a new high school would really be necessary (possibly two would be needed). If this complex goes in, we will not have to vote on a new high school(s), the Federal Government will demand that we have them. Again our right to vote will be taken away.

With this new complex, we will require more police, more firemen, more fire equipment, etc. and almost no new tax paying residents.

If you feel the same as I do, please write a letter to your representative, senator, or anyone else who has the power to change the law that says we do not have the right to vote on projects such as this.

It has been rumored that there is nothing the residents of Wilmington can do to stop a complex such as this from coming into Wilmington. There is something we can do if everyone who is opposed to this complex sits down right now and writes a letter to the proper authorities. Don't wait and let the next fellow do it - you do it, now!!

Peruvian student at Wilmington High School

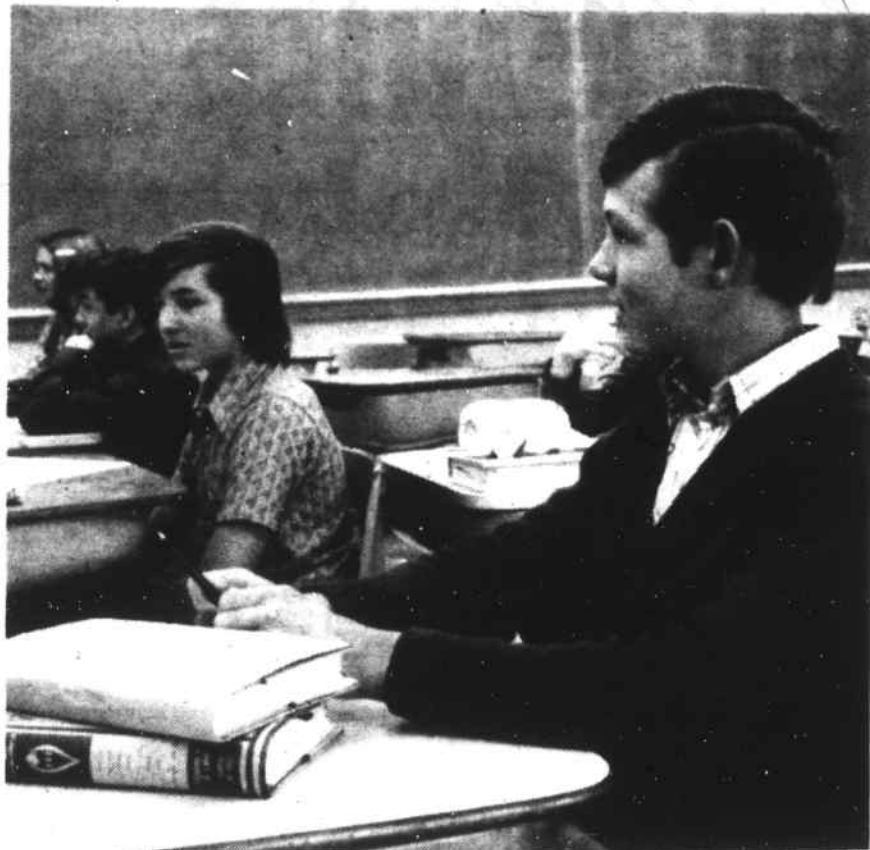

Andreas Wagner, 15, of Arequipa, Peru, is a guest at the Rounds home, on Butters Row, and is a guest at Wilmington High School, where he is pursuing a course of college studies.

Arequipa is a city of about 200,000 in an agricultural area. There is some manufacturing, and some beer brewing. His parents, German born, met in Peru after the war and married and settled in Arequipa. His mother comes from Dusseldorf, and his father from Danzig.

It isn't just chance that brought Andreas to this part of the United States. He was a visitor before, and he liked it. He was in North Adams, and a teacher whom he met there subsequently became a teacher in Wilmington, Louise Bochino, French teacher, now the head of the Foreign Languages Department in Wilmington High School.

It was Louise Bochino who made arrangements for his stay in Wilmington.

Andreas, now in the tenth grade, hopes to attend a German university and study Liberal Arts.

ANDREAS WAGNER: Of Arequipa, Peru, speaks German and Spanish, and is shown in a French class, in Wilmington High School.

ALDO A. CAIRA
IS CANDIDATE
FOR SELECTMAN

Aldo A. Caira of 188 Chestnut Street has announced his candidacy for the Wilmington Board of Selectmen.

Mr. Caira, a 16 year resident of Wilmington lives with his wife Laura, and four of their five children. His eldest son, Michael, currently a member of the Board of Selectmen is not seeking re-election.

Mr. Caira, a veteran of the U.S. Army attended Northeastern University and Curry college where he earned a bachelors degree in Liberal Arts in 1951. He is presently employed as the Assistant Superintendent of Tewksbury State Hospital. Prior to his state service, he was employed in various managerial capacities with both the Continental and Worcester Baking Companies.

Mr. Caira has long been active in civic and charitable affairs. He is past Grand Venerable of the 20,000 member Massachusetts Order of Sons of Italy and serves as chairman of the Massachusetts Sons of Italy's Charitable and Educational Trust. In 1972 he was appointed a member of the Board of Trustees of Verrazano College in New York.

Aldo Caira is running for Board of Selectman because of a sincere desire to help solve the problems currently facing the community.

Pack 63 awards

Imagination projects highlighted the evening at the January pack meeting of Cub Scout Pack 63 at Villanova Hall on Thursday, Jan. 23.

Russell Trow won first prize for his sailboat. Other winners were Frankie Jason with an old-fashioned telephone, Michael Mederios with a rocket, and Michael Thullier with a windmill.

Cubmaster Ray Hosmer presented badges to five Scouts: Jeffrey Maye, a wolf badge and gold arrow; Michael Thullier, a Wolf gold arrow; Frankie Jason and Edward Long, a Wolf silver arrow, and Brian Ouellette, a Bear badge and gold arrow.

A humorous skit based on the song "There Was an Old Lady" was presented by Den One.

The attendance plaque was won by Den One.

RALPH E. DALTON HAS FINISHED BASIC

Marine Pvt. Ralph E. Dalton, son of Mr. and Mrs. Walter J. Dalton of 48 Grove Ave., Wilmington recently graduated from recruit training at the Marine Corps Recruit Depot, Parris Island, S.C.

Physical conditioning, discipline and teamwork are emphasized during Marine recruit training.

Classes include instruction in close order drill, Marine Corps history, first aid, uniform regulations and military customs and courtesies.

No Article 48 From Fr. Page

ment, even though it was technically a "late" article, was to include it, three to two.

Joseph Courtney, who is the attorney for the Tambone interests, appeared, and was allowed the courtesy of listening. Mr. Courtney told the Selectmen that the land which was proposed to be taken was worth about \$20,000 an

acre, and the taking of the property would probably cost the town \$600,000.

The Selectmen finally decided, three to two, to not have an Article 48 in the warrant for the annual meeting. They told the ladies, the

article would be included, as it is, in the warrant for the next special town meeting, which might possibly be before that of the annual Town Meeting.

Earnings up at Melrose/ Wakefield, new appointments

Speaking at the annual meeting of the Melrose-Wakefield Trust Company on January 21, John W. Kane, president, cited the year just completed as one of accomplishment and growth giving the bank new strength with which to deal with today's uncertain economy.

"Improving our services and broadening our base," said the president of the local Shawmut Association Bank, "allowed us to maintain deposit levels and loan balances in 1974 and to show a substantial increase in earnings, while allocating adequate reserves for the exigencies which 1975 might

present."

Mr. Kane singled out for mention some of the newer type services which are proving attractive and thereby contributing to the progress of the bank in its various communities. Included is the packaging of commonly used bank services into what was introduced in late 1973 as The Shawmut Way Account. A new dimension was added to this account, Mr. Kane reported, when the choice of a NOW Account was added to the package last October allowing a person in effect to earn interest on his checking account.

For those interested in the higher earnings possible through term savings, the bank has an effective range of certificate offerings to which it has recently added Certificates for four to five years based on a minimum deposit of \$1,000 at an annual rate of 7 1/4% with an effective yield of 7.63% and a six year Certificate involving a \$5,000 minimum deposit, paying an annual percentage of 7.50, with an effective yield of 7.90%. It was also reported that the bank saw a healthy growth in the numbers of people choosing an automatic savings plan whereby a set amount is automatically transferred on a weekly or monthly basis from checking to savings. New trust business in excess of \$5 million made up of personal trusts and estate planning services was also realized last year. Growing interest was recorded in the tax sheltered retirement plan for the self-employed available through the Melrose-Wakefield Trust in conjunction with the National Shawmut Bank.

"The maintaining of strong reserves is a continuing resolve for the management of this bank," reiterated John Kane toward the end of the meeting. He went on to say that while 1975 appears to be a year of some uncertainty for all of us, the bank is committed to quality growth in its deposit and loan functions, in order to serve its customers and prospects in Melrose, Wakefield, Reading, Wilmington and Tewksbury and surrounding communities in northern Massachusetts.

In summing up all aspects of 1974, Mr. Kane noted that a large number of employees, including officers, participated in a broad array of banking and related courses and seminars during the past year. Then Kane added, "This was under the bank's strong program of continuing education for all, in order to provide the best of banking services by a well informed staff."

Mention was made that 1974 saw a long list of facility renovations in several bank's branches, climaxing late in the year with the design and construction of a new and colorful account service area just inside the lobby of the Wakefield headquarters building.

New officer elections announced, following the meeting, include:

Gary T. Ouellette, assistant treasurer; David L. Lunt, branch administration officer; Frances C. Wilcox, operations officer; and William A. Richard, consumer loan officer.

The modern automobile is supposed to have a useful road life of at least 100,000 miles - almost a decade of driving for the average motorist, assuming that its various systems and components are kept in good repair.

Best left to specialists are some crucial maintenance and repair tasks. These include work on brakes and steering, as well as jobs that require special equipment.

There are many advantages to doing minor jobs by yourself. By shopping for your own parts, you can buy them for less money than a dealer or repair shop would charge you, but be sure you know what to shop for and where to shop.

When you need to replace your car, you'll find WILMINGTON FORD, 275 Main St., Rt. 38, Wilmington, 658-6800 can serve you best. We have one of the largest inventories of new and A-1 used cars and trucks in New England, and our prices prove there's no better deal anywhere. Melrose/Wakefield

From Pg. Eight

Just previous to the annual meeting Edwin L. Ferrari was elected assistant treasurer. Mr. Ouellette has been manager of the Master Charge Department, and assistant to the Wakefield office manager, and is currently manager of the bank's Tewksbury office. Mr. Lunt joined Melrose-Wakefield Trust in 1973 after filling several posts over an extended period of time with the National Shawmut Bank of Boston, including assistant manager and operations manager. Mrs. Wilcox transferred this past summer to the local bank from what was known as Lexington Trust Company, where she was head of bookkeeping. William Richard joined the bank in 1973 with 12 years experience in consumer lending and bank management with North Shore banks. Edwin Ferrari joined the bank this year after considerable experience as bank branch manager and is presently assisting Robert Bangs, manager of the Wakefield office.

Board of Selectmen
Town of Wilmington
Wilmington, Mass.
Dear Sirs:

Reference the article carried by the Town Crier, 23 January 1975, regarding the site of the recommended new town dump down by the North Woburn line, west of Route 38. This article is the first information I have received indicating the Town of Wilmington intends to operate a dump on land abutting my residence. I am outraged by the selection of this site and appalled by the method of my notification. It would appear this dump is going to be pushed right into existence notwithstanding the infringing resulting actions imposed upon me (and my family) based upon the recommendations of the Dump Study Committee. I question if the Dump Study Committee included in its report and recommendations, the environmental impact on the existing abutting residences be they on Wilmington, Woburn or Burlington soil, or even the untenable situation already existing where my residence and others are already bounded on the east by the City of Woburn dump, on the North by Spinazola's privately operated dump and on the west by this cite in question, which directly abutts my property.

I submit to you at this time, that the office of the District Attorney and the Supreme Court may have some rulings regarding the infringing upon the rights of tax-paying residents being forced to live among the refuse and wastes of several communities.

This outrageous situation must have other alternatives as this site and general location is super-saturated with dumps and the problems environmentally associated with dumps.

At this time I respectfully demand you withdraw this recommended site from any further consideration for use as a dump.

Sincerely,
Henry P. Gardner

Dear Larz:

The question raised by John Forrest, "Can we afford a new High School?" is a most basic question that the taxpayers of Wilmington should take a hard look at. Each of us must work within our budget, whether on an individual, family or business basis: town programs are no exception.

Furthermore, what guarantee do we have that a new and larger school will be the way to achieve a better quality of education? If it can be ascertained that additional space is required, it seems to me the only logical solution is to build additions on or near the existing site. A new auditorium or a three or four story building with administration and offices on the upper floors could be two possible solutions.

The present school is centrally located and in a pleasant area, it has good access, good parking and playing fields. These are important qualities, that should not be overlooked.

Again, let's ask the question, "Do we need a new school and can we afford a new school?" I think the answer to both questions is a definite NO!!

NEW ENGLAND KIWANIS SCHOLARSHIP AWARDS

Gordon Richburg, President of the Kiwanis Club of Wilmington has announced that Senior High School students of all public, private and parochial High Schools in the Wilmington area are urged to check with Carl Smith, Chairman of the Scholarship Committee, or with Harold Garrett, Vice Principal at Wilmington High School, for information regarding the annual New England Kiwanis Scholarship Awards.

These scholarships provide assistance for one year toward the

tuition and other costs in a two year or four year college, or a two year technical or a three year nursing school of the recipient's own choice. Basis for the awards are need, scholarship, character and leadership qualities and these awards are made to deserving young people in New England without regard to sex, race, creed, color or national origin.

Funds for these scholarships come from voluntary contributions made by individual Kiwanis members in the New England District of Kiwanis International.

Kiwanis will award twenty-seven scholarships of \$450.00 each in New England.

LETTER

Dear Name

Withheld by Request:

After reading your letter of January 23, I am completely confused as to what you are trying to say.

Are you saying that:

1. The boys don't have spirit and pride and that is the fault of youth hockey?

2. We are without high spirited, proud and talented hockey players, therefore, our coach is not a good coach?

2. We have a good coach, but he looks inadequate because we have weak players giving less than 100% effort?

4. If you support your team with your attendance, you will be proud of them?

5. We are asking the coach to make a silk purse from a sow's ear?

6. It is the function of youth hockey to develop hockey players for the high school?

Your letter indicates that something is wrong or inadequate somewhere, but the coach is not responsible; is it Youth Hockey? Help!!

**EASTERN MASS
ALL STAR**

Co-Captain Chris DiCecca of the Wilmington High School 1974 soccer team has been named to the Eastern Massachusetts All Star team.

The award was made at the third annual banquet of the Massachusetts State Soccer Association, at Assumption College in Worcester. Other awards given at the banquet were to Central and Western Mass. All Stars. Two boys from Massachusetts were selected to the All-American All Star team.

Coaches from more than 25 colleges and universities in New England and New York State were in attendance, recruiting for their school and soccer programs.

Chris will be graduating this June in the top 25% of his class, and is planning to attend Southeastern Massachusetts University. He is planning to major in Business Administration.

Wilmington Recreation Basketball

Upsets and overtime games were the rule during the past week's action in the Wilmington Recreation Basketball League. Two clubs, the Super-Stars in the Mens' loop and the Intermediate girls leading Wrens both fell from the unbeaten ranks and there are now only four teams in the entire 47 team circuit unbeaten as the season enters the second round.

Men's division...On Wednesday, January 22, the Stars ran their win streak to seven with a convincing 102 - 82 triumph over Newhouse Builders. The defending champs ran up a commanding 55 - 31 half time lead enroute to the win. Joe DiSarcina led all scorers pumping in 31 for the Stars, while teammates Geno DiSarcina and Steve Enos chipped in with 26 and 14 respectively. Pat Simmons and Larry Bolby led the Newhouse offense with 22 and 17 points each.

The Lucky Ducks lived up to their name as they literally had to hold off a late surge by the sixth place Cold Storage quintet before posting their sixth seasonal win by a 72 - 69 count on Thursday night. The Ducks led by as much as 22 points early in the third frame, but a cold shooting third quarter closed the gap to 12, 53 - 41. In the final period Cold Storage, led by the hot shooting of Ray Noel (12 points) outscored the Ducks, 28 - 19, but it was enough to pull off a major upset. George Pratt and Dave Orndorff led the Ducks' attack with 17 and 14 points respectively, while Vin Sbrano chipped in with 13. Noel ended up as the Storage high scorer with 15 points, with Carl Butler adding 12.

In Sunday evening's twin bill at the high school gym, the Merchants overcame a third period three point deficit to edge Ford, 73 - 71 and the Ducks knocked off the Super-Stars, 82 - 77 with a strong finish to close the gap between the top four clubs to two games in the loss column. The Merchants outscored Ford, 22 - 17 in the last period, led by Gene Manley's 10 points win their fifth game in seven outings. Mickey Sullivan took game high scoring honors, tossing in 25 points for the Merchants, while Steve Donahue and Bill Jensen led Ford with 25 and 21 respectively. Paul Abare and George Pratt paced the Ducks to their big win over the Stars hitting for 27 and 26 points each. The Stars, who led 25 - 23, 41 - 39 and 59 - 58 at the period breaks, were led

by Joe DiSarcina (25), Paul Lyman (13) and Ed Doherty (10).

Intermediate girls...Last Saturday morning, the Doves knocked the Wrens from the unbeaten ranks with a thrilling 14 - 10 double overtime win. Jean Robinson (six) and Karen Rowe (four) led the Doves to their major upset. Kerin Taylor led the Wrens scoring attack once again scoring eight points. In the other encounter the Robins topped the winless Blu-Jays, 20 - 6 behind the scoring of Susan Hanna (eight) and Sherri Cushing (five). Patty Ryan tossed in four points for the Blu-Jays.

Junior girls...In Saturday's twin bill, the Kittens handed the Bunnies their initial loss of the season, 25 - 18 as Beth Ritchie led the West loop leaders attack with 13 points. Karen Annes chipped in with six for the Kittens, while Susan Rowe scored 12 for the East leaders. In the second game the Foxes won their second straight while handing the Pandas their sixth consecutive loss, 18 - 12. Donna Fitzgerald and Tricia Stygles led the orange and white club with eight and five points respectively. Kathy Pintrich led the Pandas scoring attack with eight points.

Sunday afternoon it was the Bears upsetting the Fawns, 16 - 15, as Kathy Madden scored eight points for the purple Bears. Sherry Bearse led the slumping Fawns with five points. In the other encounter the Bees stung the Deers, 18 - 11 behind the scoring of Brenda Baker (eight) and Marieann DiGirolamo (eight).

Senior girls...The Rubys slipped by the upstart Emeralds in overtime, 30 - 29 to remain tied for the league lead with the Crystals and Jades each of whom also won. Mary Lou Simmons led the Rubys' attack scoring 10 points while Deb Cook led the Emeralds with 13. The Jades topped the Opals, 36 - 28 in the middle game as Barbara Moulton and Sandra Carlson tossed in 15 and 12 points respectively. Cathi DeWilde and Janet O'Reilly hit for 10 apiece for the Opals.

In the final game of the set, the Crystals were forced to go into overtime before beating the Diamonds, 37 - 32. Debbie Bent took game high scoring honors tossing in 11 points for the Crystals while teammate Helen Bailey added nine. Kathy Burke (10) and Kathy Barry (seven) led the upstart Diamonds.

Intermeidate boys...The Eagles

continued on their winning ways as they rolled over the Hawks, 13 - 4 in the opening game of a January 22nd. In the second contest the Crows topped the winless Gulls, 12 - 5. On Sunday afternoon the Ravens moved into fourth place with a 16 - 6 triumph over the Gulls. Scott Braliska and Jon Nolan led the Ravens' attack with six points each.

Junior boys...Led by bobby Grant's 17 points the Seals outscored the Tigers, 29 - 26 in a north sector encounter on Thursday night. Arty Holmes chipped in with six for the winners. Timmy Moran and Bobby Porcella tossed in 18 and six points respectively in a losing cause for the Tigers.

In the second game of the evening, the Chargers ripped the Chiefs, 44 - 34 to maintain their lead in the south loop. Neil Wetzler led a well balanced Charger attack tossing in 15 points while Richard Dowd added 10 and Marty Sullivan chipped in with nine. Dave Gordon led the Chiefs offense with 12 points and Gary Hastings added 10.

On Sunday afternoon there were three games played at the high school gym and after the smoke had cleared the north leading Elks had won their fifth straight, 48 - 10 over the Raiders; the Colts came from behind to claw the Lions, 34 - 18 and the Seals topped the Bulls, 28 - 24 in overtime.

Senior boys...The league leading Lakers ran over the Pistons on Saturday night to the tune of 60 - 44 to maintain their one game lead over the Bullets, who whipped the Celtics, 51 - 38. Steve Woods (18), Steve Winchell (16) and Danny Sullivan (13) led the Lakers' attack, while Larry O'Brien and Rich Medeiros scored 14 points each for the slumping Pistons.

Dave McMillan took game high scoring honors tossing in 23 points to lead the second place Bullets to their win over the Celtics. Jim Coolidge was the lone Celtic in double figures, hitting for 11 points to lead the green and white quintet.

In the final game of the evening, the Knicks moved into a tie for fourth place with a hard fought 50 - 45 victory over the improved Royals. Tommy Stewart led the Knicks with 23 points, while Mark Chester added 11. Mike moore led the Royals scoring attack with 15 and Jim Doyla and Buddy Vengren chipped in with 13 apiece.

Wildcats stun Austin

Clutch goaltending especially in the third period by Paul Crescitelli and three goals and an assist by Dana Mullarky powered Wilmington to a 6 - 4 upset of Austin Prep last Saturday. Coach Fessenden's crew who have played well in sports and poorly against this iron league put together a solid game outshooting the Cougars 30 - 25.

Austin grabbed a 1 - 0 lead early in the first period only to have Dana Mullarky tie it up at 8:52. Seconds later it was Mullarky again on a pass from Brian God-

frey. Austin knotted the score at 2 - 2 on a goal by Tony Santullo. Wilmington forged ahead in the middle frame on a 50 footer by Dan Burns. Santulls tied the score again at 3 - 3, however eight seconds later Dino Esposito stuffed home the fourth Wilmington goal during a mad scramble in front of the cage.

Mullarky got what proved to be the game winner with only three seconds left to play in the second period. Austin closed within one again only to have John Fairweather power play goal ice it

for Wilmington.

"It was the first time all year the puck rolled us for beamed Fessenden after the game. Crescitelli kept us in the game, he had three point blank saves in the final period." Dan Burns was also a key in picking up three assists. The loss was the second setback of the year for the Cougars.

Solid Ice: Wilmington got some good and bad news this week. Dana Mullarky was named in the Boston Globe's Division II Star of the week. The big blow was mullarky might be out of the season with knee problems. Wilmington is currently 4-5-1, five points behind Chelmsford.

Coach Al Fessenden had a few thoughts on the season thus far...."Our defense is improving over the past games and their moving the puck out well. We're still going a lot of adjusting in both positional play and in the lines. For instance we've created a new line of Esposito and Fairweather at the wings with Gracia in the middle and we're still going to experiment. It's going to be impossible to fill Dana Mullarky's spot, he is strong on both offense and defense, a real thinker. Our powerplay will be readjusted along with our lines."

Saturday Wilmington gets back to business against Central at 6 pm.

Mite A (11-4-2)...On Sunday January 26th the Mites traveled to Manchester, N.H. for an interstate encounter, being hosted by a strong Manchester team boasting a 25 and 1 record.

The Mites proved to be worthy of the challenge by defeating Manchester 5-4. Highlights of the game were two goals by Kevin Cullivan and Jim Newhouse and one by Harry Cunningham.

Sidelights of the game would have to be Harry Cunningham Sr. showing up at the right rink on time to see his son's goal after getting the only set of wrong directions.

Mite A...On Monday January 27th the Mites won their 11th game of the season by defeating a much improved Chelmsford team 2-1. The Mites dominated the game from start to finish allowing Chelmsford only two shots on net.

Jim Newhouse scored Wilmington's first goal in the second period on a nice pass from D. Moran. The second goal for the Mites came in the third stanza with Jim Newhouse lighting the lamp again assisted by D. Moran and D. Surrette.

An aggressive game by Jay Barrett along with the improved play of Sean Lowney, Harry Cunningham and Billy Woods helped to contain Chelmsford in their own end.

The next game will be played on Monday February 3rd at 5:10 pm with Peabody providing the opposition.

Mite B (12-5-2)...The B's continued their winning ways by soundly defeating Stoneham by a 4-1 margin. Stoneham opened the scoring only 24 into the period, but was quickly followed with the tying goal by Peter Oikle, assisted by Robbie Walden. Before the first period ended John Robinson scored the winning goal assisted by David Richards.

After a scoreless second period Stoneham opened the third period with pressure on the B's until goalie Brian Surrette, making two outstanding saves, seemed to pick up the B's to contain the opponents.

Kenny Richter scored the insurance goal unassisted and the final tally was scored by Greg Rogers assisted by Kenny Richter. Next Saturday the B's will take on Medford at 8:00 a.m. in the battle for third place.

Pee Wee BI: Lost their first game since October 22 when they went down 2-1 to tough Billerica on Tuesday.

Wilmington's only goal was scored in the second stanza by Mark Potenza, assisted by Frank DeVita and Jamie Boudreau.

The loss leaves the Wilmington Pee Wee BI's tied for first place in their division.

The next game will be played at 7:20 pm on Tuesday, February 4th with Reading providing the opposition.

Pee Wee BI (10-8-1)...Tuesday January 21st, the Pee Wee BI's bowed to Billerica with a score of 0-3. Saturday, January 25th trounced South Boston with a final score of 8-0.

Goal scorers in the first period were Stevie Scanlon, assisted by Jamie Shepard and Scott Richards, and Keith Young assisted by Billy Wallace and Stevie Scanlon.

Second period tallies by Keith MacDonald with some help from Sean O'Donoghue and Mike Sullivan, and Scott Richards from Jamie Shepard. Keith MacDonald began the third period with an unassisted goal. Stevie Scanlon logged a hat trick plus one with three more goals.

Henas assisted by Jamie Shepard, Mike Moran, Sean O'Donoghue and Scott Sullivan.

The boys played a fine game and goaltenders Stretch Storey and Bobby Doucette have another shutout to their credit.

Wilmington will meet Chelmsford on Saturday at 3:10 pm.

Squirt A (15-4-0)...On Sunday, January 26 the Squirts defeated Tewksbury for the second time, 4-2.

The fine consistent playing of John Cushing scoring twice in the first stanza gave Wilmington a 2-1 lead with assists going to Darryl MacDonald and Bobby Williams (two).

The only score in the second period came off the stick of George Boudreau assisted by Darryl MacDonald.

In the third Tewksbury picked up their second goal. Ronnie Greenberg found his range assisted by Jimmy Conti. Goaltenders Jeff Lux and Scott Wallace did a fine job in net. Wilmington outshot Tewksbury 33-12.

The next game will be played on Sunday, February 2nd at 2 pm with Medford providing the opposition.

Squirt BI (15-3-1)...The Wilmington BI's played their strongest game of the season only to see South Boston walk away with their 18th straight victory by a score of 3-1.

John Robson on a pass from John Giroux brought the crowd to its feet with Wilmington's only

goal at 27 seconds into period one. Southie tied it up at 1:45 and went ahead at 5:52 of period one. Southie tallied again in the middle of the second frame, but the rest of the game was a strong exhibition of two way hockey by both teams.

John Palmer and John Giroux played outstanding defense as they turned Southie's offense back. Goalies Bill Redler and Ed Laquidara made a number of super saves in their attempt to stop the league's strongest offense. Hustle was the key word of the day as the Wilmington skaters put on quite a show despite their losing effort.

The BI's take on Squirt A drop-outs Wenham next Sunday at 5:55 pm in Rink II.

INTRAMURAL NOTES

Bantam: The Rangers failed to gain any ground on the division leading Bruins as they played to a 3-3 stand off with the division leader; while the Leafs outskated and outscored the Canadiens to the tune of 6-1.

Pee Wees: The Kings and Flyers remain deadlocked for the division lead as the Kings rocked the Canucks 7-2 and the Flyers flew by the Blues 7-3; while by the score of 6-4 the Penguins subdued the Seals.

Squirts: With a 3-0 victory over the Americans the division leading Aces maintained their two point lead over the second place Braves who scored an 8-1 triumph over the Clippers.

Mites: Squeaking by the Blazers 2-1 the Gulls continued their winning ways; the Buckaroos outscored the Roadrunners by three goals to take a 6-3 victory; while the Checkers with their second consecutive 1-0 shutout overcame the Blades.

HAZARDS OF CARBON MONOXIDE

According to Wilmington Board of Health Chairman, James Durkee, hazards of carbon monoxide poisoning are great during the winter months.

Home heating devices and fuel burning equipment should be checked annually by a competent person in order to prevent needless tragedies.

Carbon monoxide produced by

incomplete burning of a solid, liquid, or gaseous fuel, is invisible, odorless, tasteless, and deadly says Mr. Durkee. An individual exposed to carbon monoxide gas in an area without adequate ventilation, he says, is in grave danger.

Since over 70% of carbon monoxide incidents occur in the home during the winter months, the Board of Health offers the following suggestions:

Check fireplace draft and ventilation systems and other fuel burning

appliances including gas appliances. It is unwise to use a gas range oven for heating purposes.

Check the cooling unit of your gas refrigerator periodically.

Don't burn charcoal indoors, as it always gives off carbon monoxide. Keep your barbecue grill for outdoor use.

Leave a window slightly open near the furnace.

Do not run your car engine in the garage with the door closed.

Presenting George McKelvey

HIS SON IS ONLY 75: George McKelvey of Jamaica Plain, celebrating his 100th birthday, visited his well-known son Harold in South Wilmington on Tuesday. Except for fight and hearing, centenarian George is in good health with an excellent appetite. He claims to have not a pain in his body, unlike Harold, who recently fell in the dark, resulting in a two-week hospitalization.

Harold W. McKelvey of Border Avenue is one of Wilmington's better known residents. A veteran of both World Wars, he has been very active until recently. Now he is taking things easy, as a man who has passed 75 summers might be expected to do.

Harold had to take a back seat, Tuesday afternoon. His daddy, 100 years old, came out to visit Harold. George A. McKelvey lives in Jamaica Plain, with his daughter Lillian Stratton. He seems to be a little more sprightly than Harold.

George is the son of a Union Officer in the Civil War, a man who served with Burnside on Rapahonock, and who spent some time in a Rebel prison in Richmond. There aren't many men living today who can say their daddy fought in the Civil War.

In addition to Lillian there is another sister, Mrs. Guy (Gladys) D'Agostino, of Canton.

BOARD OF HEALTH WANTS LEAD POISON PROGRAM

A Lead Poison Prevention program is being planned by the Wilmington Board of Health.

The board met recently with Mrs. Lucille Dempsy, Director of the Lowell Lead Poison Preventative Program, and others at the meeting were Mrs. Joan Dunlevy, Director of Community Services at St. Johns' Hospital in Lowell; Mr. and Mrs. A. Melville Woodside and Larry Chapman, representing the Regional Health Center in Wilmington and Joan Bachman, School Nurse. Also present were Anne Butters and Abbie McQuair, Wilmington Public Health Nurses.

The Board of Health hopes to institute such a program in Wilmington, and hopes to solicit the aid of Mrs. Dempsy in instituting and screening program for Wilmington. She conducts a federally aided program, in Lowell and the Wilmington Board would like one for Wilmington.

PAULINE COLA SEEKS SELECTMAN'S SEAT

Mrs. Pauline (Leiter) Cola of 27 Salem Street has announced her candidacy for a seat on Wilmington's Board of Selectmen.

A life long resident of Wilmington, Pauline is one of the five children of Abraham and Ida Leiter. Mr. Leiter will be remembered by many as one of Wilmington's original junk men, an occupation with which he fed, clothed and educated his family.

Four of his children became 13 teachers.

Pauline was a teacher in Wilmington for 22 years; a special class teacher and a fifth grade teacher, she has also taught an adult Americanization class, through which many became naturalized citizens.

Two of her sisters, Lena Leiter and Lody Weisberg teach in Wilmington schools and her brother Max is chairman of the Science Department at Boston Latin High School.

Her priority aim as selectwoman would be to do as well as the former Selectwoman, Wavie Drew whom she has always admired.

She is the holder of many degrees and certificates including a B.S. Ed, two Master's Degrees, one in administration and supervision and one in special education. She will soon receive her doctorate from Columbia University. She has served as treasurer of the Wilmington Teacher's Association; president of the Mass. Adult Teacher's Assoc. and secretary of the Parents and Friends of Exceptional Children.

started hitting the offensive boards and the basket.

Lawrence out rebounded the Wildcats offensively 23 - 6 and out-scored them 46 - 25. Bob Burns led all scorers with 20 points and Vin Scifo and Ralph Peterson tossed in nine points apiece. "What killed us was their depth," stated DiSarcina, "they had 10 players scoring, three of whom were in double figures; we had seven players scoring with only one in double figures."

Wilmington's starters played well in the first half, but they were just too strong for us. The Jayvees were also stopped 45 - 39 with Dave McMillan getting 13.

Tues. Jan. 28: Wilmington bounced back posting Austing 52 - 38. Capt. Vin Scifo led the attack with 21 points (50% from the floor) and 12 rebounds. Paul Cipriani was next with 10 points and 16 rebounds. Bob Burns had a chance to relax scoring only four points for the night.

The Wildcats never trailed leading 19 - 18 at halftime and bursting the game open in the third stanza outscoring the Cougars 16 - 4. Coach "D" cited the play of Jim Stewart, Doug McLain and Bob Dorval as a stabilizing factor in the win. Steve Winchell had a big

night for the jayvees 12 points, 23 rebounds and eight blocked shots in leading Wilmington to a 52 - 45 win.

Square Rims: Wilmington is now five wins six losses and is averaging 56 points per game while giving up 60 points. Bob Burns is third in the MVC scoring race with 191 points. Vin Scifo has 118 points followed by Ralph Peterson with 102. Center Paul Cipriani has 146 rebounds for the team followed by Vin Scifo with 85 rebounds. Bob Burns leads in free throw per cents with 65% along with Bob Dorval, 60% and Doug McLain 57%. Tomorrow night Wilmington travels to Dracut.

ADULT HOCKEY LEAGUE

Big W, 7 - Bulldogs 1

The Big W rolled to its fourth consecutive win of the second half to remain in the top spot. Wayne Hamilton and Steve Neal had two goals each for the league leaders while Tim Walsh scored the only goal for the Bulldogs.

Blues, 4 - Back Bay, 4

In a game that featured eight different goal scorers, Mark Richard's unassisted goal at 8:44 of the final period gave Back Bay a 4 - 4 tie with the Blues.

Jets, 7 - Beavers, 4

Led offensively by Snooky Lynch's five point performance (three goals, two assists), the Benevento Jets remain in second place with a win over the Beavers.

Back Bay, 7 - Bulldogs, 4

Back Bay moved into undisputed third place with its win over the Bulldogs. Stony Jacobs fired in a three goal hat trick plus a pair of assists for a big five point night. Frank Matley had two first period goals for the Bulldogs.

Big W, 4 - Benevento Jets, 3

In an exciting, face-paced game the Big W won their fifth straight as they came from behind to beat the Benevento Jets. Dennis Demaggio's second goal of the night with 25 seconds left on the clock capped a three goal explosion by the Big W in a space of a minute and 15 seconds. Snooky Lynch had a pair for the Jets. Both goalies Wally Neil of the Big W and Jim Newhouse of the Jets played an outstanding game in the wide open contest.

Beavers, 8 - Blues, 2

Charlie Miller's three goal hat trick highlighted the offense as the Beavers topped the Blues. Jim Jillett had a goal and an assist from the Blues.

WILMINGTON POLICE: Monday at 1:30 p.m. captured three Lowell youths, in the home of Mr. and Mrs. James L. Durkee of Salem Street. They were participating in a familiar ploy in Wilmington - rob an empty home, and then head for Route 93 from whence no one can tell where they are going. This time the police caught them - inside. The handcuffed prisoners are shown being let to the police cruiser.

HYPO NEEDLES: Were in the car of three robbers of the Durkee home. The car was parked on the hill, near Martins Brook, and the robbers walked back to their scene of operations. Sgt. George Shepard, and Officers Joe Cuoco and John Ritchie are shown searching the robbers' car.

Melrose Savings deposits up

President John Wood, Melrose Savings Bank, reported at the annual corporator's meeting, Tuesday, January 28, that the bank had experienced a year of satisfactory growth. Wood reported that year end deposits for December 31, 1974 were \$83,051,297.20, an increase of \$5,585,136.30 over deposits of \$77,466,160.90 at year end December 31, 1973. The bank has over 23,269 savings depositors and 2,950 mortgage loans for a total of \$63,100,118.63 invested in real estate loans generally located in Melrose, Wilmington and adjacent communities. In addition, Wood reported that the personal loan program has shown slow satisfactory growth with considerable new loans being made to help acquire automobiles, make property improvements and for other household and personal needs.

During the year of 1974, the Melrose Savings Bank opened a new banking office in the Lucci Shopping Center, Route 129, Wilmington. This, Wood reports, is recording a splendid growth pattern and the bank is most pleased with its expansion into the Wilmington community.

The real estate loan department reported considerable mortgage loan activity in both the Melrose and Wilmington areas, hampered only by the limitation of deposit funds, as experienced generally in the financial community.

The bank looks forward to opening its second branch facility at the Towers Shopping Plaza in Melrose during the commencing year. Wood reports that the construction contracts on the new facility are to be let soon.

Handicapped learn YMCA swimming

The greater Lowell Family YMCA has announced the beginning of a new swimming program for handicapped children ages three to five starting on Monday, February 3 at the YMCA on Merrimack Street.

Class instructor Mrs. Patricia Rogers of Chelmsford has been qualified in the Red Cross Aquatic program as a water safety instructor with a handicapped speciality rating from the YMCA Aquatic program. She will be assisted by 20 students from the Chelmsford and Tewksbury high schools.

Class enrollment will be 20 children and there will be one instructor for each child participating. The children will be learning to swim under the National YMCA Aquatic program.

One class will be held on Mondays and one class on Wednesdays from 11 to 11:45 a.m. until June. There is a YMCA registration fee, but the course itself is offered at no charge as a public service.

Registration is now being held at the YMCA.

Further information may be received by calling pre-school director Mrs. Margery Williams, mornings at 454-7825.

EVEN THE CHIMNEY NOW LEAKS: The Wilmington Housing Authority has been having a lot of trouble with leaking steam lines and leaking hot water lines, but they had a new one to show state officials, last Thursday.

The expensive chimney, in the Recreation Room at the Housing for the Elderly, at Deming Way is reported to be leaking. After an inspection of the accounts, some years ago, the late Charles Black, selectman, declared that the chimney must have cost \$24,000.

Above, WHA Chairman George Hooper shows Dick Skerry, of the Mass. Department of Community Affairs how the water runs down the chimney.

Compugraphic held its meeting in Wilmington

Compugraphic, Wilmington's fastest growing corporation, held its annual meeting in Wilmington last week - possibly the first time that a corporation of that size has

met in Wilmington. The meeting was at 80 Industrial Way, a building to which the company has just added 95,000 square feet.

Carl F. Dantas, executive vice president, told the audience that the outlook was favorable and that the company had earned (net income) \$1,311,000 in the first quarter, an increase of 19% over a year ago.

William W. Garth, formerly the president, was elected to Chairman of the Board, by the Board of Directors.

Carl E. Dantas was elected President, and Chief Executive Officer. Formerly the Executive Vice President, he has been with Compugraphic since 1963.

David W. Hepworth, formerly Vice President, Finance, was elected vice President of Finance, and Treasurer of the Corporation.

Hearing aids to elderly persons

Two hearing aids in excellent condition are available free to any senior person just by applying at the Tewksbury Senior Center Monday through Friday from 9 am to 4 pm.

There are reservations open for the hot lunch program both at the Senior Center and Carnation Drive. Also, transportation is available to and from the hot lunch. Call 851-7090 for reservations.

Title VII bus service is available for the elderly of Tewksbury the first and third Tuesdays of each month from 9:30 to 2:30. The service is for visits to barbers, hairdressers, banks, shopping and social security. Also, there is a shopping service for persons who are unable to get out to do their own shopping. Call 851-7090 for reservations at least 24 hours in advance.

MVC track Wildcats remain perfect

The Wilmington track machine rolled on this past week, clobbering Chelmsford 68 - 17 and dumping Tewksbury 52 - 34 to boost their record to 7-0-0.

Thurs. Jan. 23...Wilmington took first in nine out of 10 events to crush Chelmsford 68 - 17. Rick McCully, as usual won the hurdles in 5.9 seconds; senior Jim Busby copped the 50 in 5.8 seconds while Tim Nee captured both the high jump and the 300. Steve Coville took first in the 600 while Charlie Zaverson was the winner in the mile.

McCully won his second event of the afternoon with a heave of 45.2 feet in the shot put. In the 1000 Tony Gravalese won in the time of 2:29.0 and the team of Dave Cain, Joe Leary, Paul Reed and Keith Roueche won the relay. Doug Spring took second for Wilmington in the two mile to finish off the slaughter.

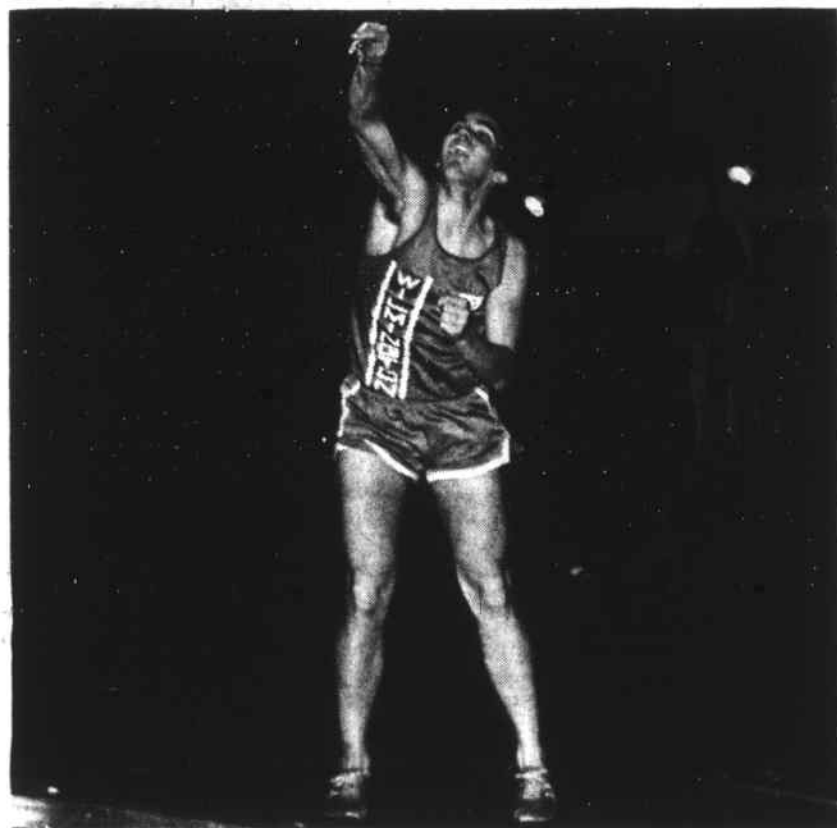

Mon. Jan. 27...Coach Kelley's

crew won their seventh straight powered by Jim Busby's school record in the 50 5.7; Tim Nee's 12th win of the season in the 300 and Steve Coville's fine performance in the 600 gave Wilmington a 52 - 34 win over Tewksbury.

Worth noting, is that Rick McCully remains undefeated in the hurdles with Joe Tannian and Don Capone grabbing second and third spots. In the mile Barry Foster and Charlie Zaverson finished second and third as did Tony Gravellese and Dana Roueche in the 1000. Doug Spring finished second behind Tewksbury's Jim Stronach in the two mile. The Redmen won the shot put with Frank DePiano and Rick McCully taking second and third.

McCully, Dan Spear, Paul Reed and Keith Roueche combined in the relay to finish off the day.

Wilmington faces Billerica this afternoon at 4:15 at the Phillips Cage.

RICK McCULLY: Shows his form in the shot put vs Tewksbury on Monday.

JIM BUSBY CROSSES THE FINISH LINE: In the 50 yard dash in 5.8 seconds, breaking the school record held by Art Bibeau and Bruce Bishop.

Movie at High School

The Wilmington High School Art Club will present a Steve McQueen movie, "The Reivers" at 7:30 p.m., Friday, Jan. 31 in the Wilmington High School Auditorium. Admission is 99¢ and refreshments will be sold.

Proceeds will be used for a future trip to New York, where members hope to visit art galleries and the Empire State Building.

What is Expo 75?

What courses should I take next year? Why? What do I want to do when I leave Wilmington High School? How do I choose a career? What can I do while I'm at Wilmington High School to prepare for what comes after? These are some of the most important, difficult questions students will be faced with while they are in high school.

To help them and their parents answer these questions, Wilmington High School has created Curriculum Expo '75 to be held on Sunday, February 2, 1975 from 1:00-5:00 p.m., and Monday, February 3, 1975 from 9:00 a.m.-3:00 p.m.

Parents, students, and any other interested citizens are invited to learn about the courses, programs, activities, and services available to students at Wilmington High School. An exciting variety of displays, live presentations, and booths have been set up by both subject departments and student groups.

To help students choose courses that will lead to a satisfying productive year in school, and prepare him for future career goals, each department will provide information, explanations, and in some cases demonstrations of all their courses. In addition, babysitting facilities and refreshments have been planned.

To help students and parents translate the information available at Expo '75 into meaningful course activity and career choices, the Guidance Department suggests the following list of questions that students might ask themselves and discuss with their parents:

1. Am I planning to enter the world of work directly from high school? If so, what are my talents? Do I seem to gain more success and satisfaction from working with my head or my hands? With other people or alone? With spoken or written words? With ideas or things?
2. Should I choose a variety of subjects in academic and occupational areas so that I can discover and develop new interests, or do I want to specialize in specific vocations, subjects such as business, home economics, or industrial arts?
3. Do I have the ability and interest to complete a college preparatory course?
4. If I do, should I plan to go to a four or two-year college?
5. If I already have a specific college or college course in mind such as liberal arts or pre-law,

what specific preparatory subjects are required or recommended for this school or course?

6. Does my progress in school so far seem to fit my goals for the future?

7. What do I like to do best? Least?

For students and parents who have not yet decided the most enjoyable realistic choice of subjects and activities for next year, Curriculum Expo '75 is an excellent opportunity to see, hear, and discuss with teachers, counselors, and other school staff the opportunities available. For those who have already made tentative decisions, it is a chance to explore your decisions further.

The staff, students, and parents who planned this event look forward to seeing and helping many interested students, parents, and others on Sunday, February 2 and Monday, February 3 at Curriculum Expo '75. Said George O. Eisenberg, Wilmington High School Principal.

JANET G. BLAIR RECEIVED HER CAP

Among the students receiving their caps from Boston University School of Graduate Dentistry - Dental Assistant Program at the Law Auditorium, Main Campus on January 17th was Janet G. Blair of 393 Shawsheen Ave., Wilmington.

Janet will complete her one year course in the dental assistant program in August. She is the daughter of Mr. and Mrs. Wallace Blair and is a 1974 graduate of Wilmington High School.

WALTER SMITH'S RETURN TO LOS ANGELES

Mr. and Mrs. Walter Smith (Sandra Adams Smith) and their two children, Barbara and Danny have returned to their home in Los Angeles after having spent the Christmas and New Year's holidays with Sandra's parents Mr. and Mrs. H.W. Adams of 3 Arlene Ave., Wilmington and Walter's parents, Mr. and Mrs. Walter Smith of Mineral St., Reading.

They all enjoyed having a white Christmas with so much snow, especially the children. They drove across the country, arriving on December 18th and left on January 21st.

It was their first Christmas at home in 11 years. The last time they were in Wilmington for a visit was over five years ago. They have been living in California for nearly 11 years.

MICHAEL J. O'DONOGHUE HAS COMPLETED BASIC

Navy Fireman Apprentice Michael J. O'Donoghue, son of Mr. and Mrs. O'Donoghue of 74 Lawrence St., Wilmington has completed Basic Electricity and Electronics School at the Naval Training Center at Great Lakes.

He received instruction in the use and application of basic test equipment, an introduction to electrical and electronic circuit principles and related mathematical formulas.

The course employs an individualized learning system, multi-media presentations and self-paced study, with an average completion time of five weeks. It is designed to prepare personnel for continued specialized training in the electronics and electrical fields.

PATRICIA PILLA,
BETTY CROCKER WINNER

Patricia Pilla of Wildwood Street has been named Wilmington High School 1974-75 Betty Crocker Family Leader of Tomorrow. Patti won the honor by competing with other seniors in the written knowledge and attitude examination on December third. She is now eligible for state and national honors and will receive a specially designed award from General Mills, Inc., sponsor of the annual educational scholarship program.

State Family Leaders of Tomorrow receive a \$1,500 college scholarship while state second place winners receive a grant of \$500. The state winner also earns for his or her school, a 20 volume reference work, "The Annals of America," from Encyclopaedia Britannica Educational Corporation.

In the spring, state winners and their faculty advisors will be the guests of General Mills on an expense paid educational tour which will include Washington, D.C., and Williamsburg, Va. A special event of the tour is the announcement of the All American Family Leader of Tomorrow, whose scholarship will be increased to \$5,000. Second, third and fourth place winners will receive scholarship increases to \$4,000, \$3,000 and \$2,000 respectively.

A \$1000 Nutrition Scholarship is also available again this year from General Mills. The winner of this grant is a participant in the Betty Crocker Search who is planning a college major in nutrition or a related field, ranks among the highest in his or her state on overall examination and scores highest on the included nutrition questions.

Fred Cain seeks to change control of Reading Light

Rep. Fred F. Cain of Wilmington has filed a bill in the legislature (H 4273) which would establish a commission to direct and control the Municipal Light Plant in Reading.

The Municipal Light Department of Reading is currently controlled by three commissioners, elected by the voters of Reading.

Mr. Cain seeks to have ten members in the commission. Five would be employees of the municipal light department, and another two residents would be appointed by the Reading selectmen.

There would be one resident each from Wilmington, North Reading and Lynnfield appointed by the local boards of Selectmen. The Reading Municipal Light

Department services these three towns.

All members would serve for three years, and until their successors are qualified. A member of the commission who ceases to be a resident of the town from which he was appointed would cease to be a member. Vacancies in the commission would be filled for the unexpired term in the same manner provided for original appointment.

The second paragraph of the bill provides that the commission would direct and control the Reading Light Plant, and have all the powers and duties of a municipal light board, as provided in Chapter 164 of the General Laws.
